

make a positive impact

Wales Nature Week

Celebrating Nature **TAKE PART**

5 - 13 JULY 2025

Now there's an idea!

Connect with Wales's stunning wildlife and habitats in Wales Nature Week

Wales Nature Week celebrates the incredible nature that surrounds us and your community council/group, school or faith group are invited to take part.

so much fun!

The fantastic range of habitats in Wales is rightly renowned, from the rugged uplands through to the lowland meadows and streams, and along to the coast. All are home to vast range of species.

Our urban environments – parks, gardens, burial grounds, community and school grounds host a surprisingly rich variety of nature. By spending a little time in nature and noticing the flowers, bees, and other wildlife that's around you in Wales Nature Week, you will gain a new appreciation of these places. Share what you find on social media and be part of a growing community of nature lovers!

Great idea!

See our resource pack for further information.
Nature is for everyone wherever you are.

This sounds great!

Spread the word!
